We have deployed Solar Power Container units at three of our mines and the results have been outstanding. The ease of transportation and short installation time saved us weeks of downtime.

Radiant Alliance Limited, a sister concern of East Coast Group, recently dispatched its first consignment to the United States. It achieved the historic milestone by ...

Get detailed specs and pricing for Sunmaygo's solar containers. Compare models, battery options, and calculate ROI. Find the best mobile solar power system for your needs.

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, ...

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail ...

Once solely dependent on imports, the country shipped its inaugural consignment of solar modules to the United States this week in a 40-foot container.

Bangladesh, previously a sole importer, has begun exporting photovoltaic modules, with the first consignment shipped to the United States this week in a 40-foot container.

The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power. It is the perfect alternative to unstable grid ...

Designed for Plug and play operations, the ZSC range of mobile solar power is easy to setup and commission. The compact container is easy to transport and is a low maintenance asset on site.
