-----

140w solar street light 14000 lumens can light up 12 hours a night, support 7 rainy days, and give you 365 days without lights off. The solar panel is of high photoelectric conversion efficiency ...

Equipped with a high-capacity rechargeable lithium battery and a 140W monocrystalline solar panel, it provides reliable lighting for streets, pathways, and large ...

140w solar street light 14000 lumens can light up 12 hours a night, support 7 rainy days, and give you 365 days without lights off. The solar panel is of ...

This high quality built and very durable light is completely self-contained. With a smart controller with PIR motion sensor for movement detection it can detect a movement from up to 24 feet. ...

Illuminate your outdoors with the Solar Street Light 12000LM, designed for superior brightness, energy efficiency, and durability. Powered by a 140W monocrystalline silicon solar panel, it ...

Equipped with a high-efficiency MPPT solar controller and an intelligent sensor, the ZAIN solar street light optimizes energy savings while ...

Equipped with a high-efficiency MPPT solar controller and an intelligent sensor, the ZAIN solar street light optimizes energy savings while providing reliable lighting performance. It is the ...

All in one 140W solar street light 14000 lumens. Composed by super bright SMD3030 LED chips long lifespan solar panel and high quality lithium battery. Get quotation now!

Illuminate your outdoors with the Solar Street Light 12000LM, designed for superior brightness, energy efficiency, and durability. Powered by a 140W monocrystalline ...

60W, 80W, and 140W integrated solar street lights are engineered with high-efficiency monocrystalline silicon solar panels and LiFePO4 lithium batteries

Glare from street lights is significantly reduced with the new IQ LED street-light fixtures, increasing visibility by directing light onto the roadway and preventing it from shining into the eyes of ...

Estimated delivery between January 02 and January 04. This 140W Solar Street Light 14000 Lumens features super-bright LEDs that will light up the dark in a matter of seconds.
