Where to buy wholesale solar panels?

If you are looking for a place to buy wholesale solar panels, you've found it. A1 SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

What is a custom shaped 3W solar panel?

This custom shaped 3w solar panel utilizes high efficiency mono PERC solar cells with efficiency up to 22.5%, to ensure its high output. It is laminated by tempered glass to protect the solar cells inside, making it rigid, durable and long lasting.

Do wholesale solar panels come on pallets?

Our wholesale solar panels come on pallets, offering you the perfect wholesale solar panel solution for larger projects or resellers. Whether you're outfitting a commercial property or stocking up for a residential install, these pallets of solar panels provide high-quality performance at unbeatable prices.

Why should you buy solar panels wholesale?

Solar panels can be very different in terms of cost, and several factors impact the final price, such as wattage, brand, type of panel, warranties, etc. Whatever brand you pick, its solar panel wholesale price is lower than retail, so you end up saving a lot.
