Eaton HS hybrid supercapacitors are small-footprint, high-power energy storage devices ideal for a host of energy and industrial applications. Eaton's HS supercapacitors comprise new proprietary materials. Each ...

Our super-capacitor Energy Storage solutions redefine the dynamics of power and energy, offering unparalleled reliability, efficiency, and sustainability.

Each module features an insulated construction with integrated cell balancing, cable assembly with a Molex Mini-Lock connector, and 85 °C rated supercapacitor cells.

Eaton HS hybrid supercapacitors are small-footprint, high-power energy storage devices ideal for a host of energy and industrial applications. Eaton's HS supercapacitors comprise new ...

Common supercapacitor modules applications include transportation and automotive, renewable energy systems, industrial equipment and machinery, uninterruptable power supplies ...

Our technology is used in a wide variety of applications from battery backup in smart meters to regenerative braking. Choose from board mountable coin type and radial form factors or work with us ...

Super Capacitors Supercapacitors / Ultracapacitors are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Super Capacitors Supercapacitors / Ultracapacitors.

The SCM product range is modular and it covers the energy storage needs from 10 to 50kJ and momentary power peak levels from 10 to 100kW. The SCM modules together with MSc DCDC ...

Each module features an insulated construction with integrated cell balancing, cable assembly with a Molex Mini-Lock connector, and +85 °C rated supercapacitor cells.

Supercapacitors / Ultracapacitors are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Supercapacitors / Ultracapacitors.

A powerful module for reliable engine starting for diesel engines in any weather conditions. Based on Skeleton's industry-leading supercapacitors, offering unparalleled power.
