Who makes the best solar string inverter?

We review the best grid-connect solar inverters from the worlds leading manufacturers Fronius, SMA, SolarEdge, Fimer, Sungrow, Huawei, Goodwe, Solis and many more to decide who offers the highest quality and most reliable solar string inverters for residential and commercial solar.

Who makes Fimer solar inverters?

FIMER is a well-established Italian-based inverter manufacturer that took over ABB's solar division in early 2020. The company is in the process of revamping many of the ABB-style inverters and is expanding its range of high-quality string solar inverters for residential,commercial and utility-scale applications.

Which companies dominated the global inverter market?

Huawei's inverter segment also delivered an outstanding performance,with the two companies dominating the global market by a wide margin. Other enterprises,such as TBEA,Senergy,Deye and Ginlong (Solis),followed closely behind.

Which inverter companies were most impacted by the IPO market?

Other enterprises, such as TBEA, Senergy, Deye and Ginlong (Solis), followed closely behind. The capital market also recognised the inverter sector when SOFAR successfully went public in April, despite the cooling new energy IPO market. However, market fluctuations had a significant impact.
