Who are GB Sol solar panels?

GB-SOL GB-SOL, founded in 1994, is one of the largest solar panel manufacturers and distributors with its head office in Pontypridd, Cardiff. It is a spin-out from Cardiff University and has been leading the solar power generation for decades.

Who makes hand made aluminium greenhouses?

The Hartley Botanic Greenhouse company has been manufacturing hand made aluminum Greenhouses in the UK for 85 years. Can We Help? Choosing a Greenhouse can be a big decision. To acknowledge the English Victorians as the world's greatest pioneers and inventors, is something of an injustice to Vincent Hartley.
