In this project, GSL ENERGY adopted an advanced lithium-iron-phosphate (LiFePO₄) high-voltage energy storage battery solution, ...

In this project, GSL ENERGY adopted an advanced lithium-iron-phosphate (LiFePO₄) high-voltage energy storage battery solution, which is used in conjunction with a ...

A 25MW/55MWh battery energy storage system (BESS) has been commissioned in Bulgaria, Eastern Europe, by operator Renalfa IPP, using technology provided by Chinese ...

The innovative Bulgarian project for the production of energy storage batteries BG EXERON X-BESS has been granted strategic status ...

International Power Supply (IPS), a Bulgarian manufacturer of battery energy storage systems, is about to launch operations at its new facility near Sofia. Its latest model ...

The inherent characteristics of lithium-ion technology, including high energy density, lightweight design, and rapid charge/discharge capabilities, make it the preferred choice for powering ...

IPS manufactures advanced power electronics, such as inverters, power conversion systems and battery chargers, and provides ...

International Power Supply (IPS) has officially launched Factory X1, marking the opening of Bulgaria's first battery energy storage system (BESS) gigafactory.

The innovative Bulgarian project for the production of energy storage batteries BG EXERON X-BESS has

been granted strategic status under the European Commission's Net ...

IPS manufactures advanced power electronics, such as inverters, power conversion systems and battery chargers, and provides industrial power supply and microgrids solutions ...

A 25MW/55MWh battery energy storage system (BESS) has been commissioned in Bulgaria, Eastern Europe, by operator Renalfa ...

Bulgarian firm International Power Supply (IPS) has commenced construction of its second battery energy storage system (BESS) production facility in Sofia, Bulgaria, which will ...

International Power Supply (IPS) has officially opened its new battery energy storage system (BESS) manufacturing facility near Sofia, Bulgaria - a site recognized by the ...

International Power Supply (IPS) has officially opened its new battery energy storage system (BESS) manufacturing facility near Sofia, ...

International Power Supply (IPS), a Bulgarian manufacturer of battery energy storage systems, is about to launch operations at its new ...

This significant increase in production capability would position Bulgaria as a key manufacturer, enabling the country to supply up to 15% of Europe's anticipated demand for ...
