How long does it take to get a container delivered?

After we received the delivery forms typical delivery takes 3 to 7 business days. Once we received your delivery order form we arrange your container with the yard and after that schedule your delivery with trucking company. If you order a container, it may take 2 days to 5 days to hear from the trucking company.

How do you deliver a shipping container?

We offer three shipping container delivery methods to your property; tilt bed roll off, customer assist, and flatbed. Tilt bed or roll off is by far the most common delivery method because it doesn't require customer assistance. The container will arrive on a trailer that will tilt back and place the edge of the container on the ground.

How much space do I need to deliver a container?

Width Clearance: A minimum of 10 feet along the delivery path. Important Notes: Space measurements start from where the container will be placed and must extend forward in a straight line. The driver cannot turn within the 110' or 130' delivery space. An error occurred while retrieving sharing information. Please try again later.

When will a container be dropped?

Container will not be dropped until CMG or trucking company gets paid for extra hours. Thanks for your advanced understanding. Please do not forget these trucks and drivers cost a lot of money and usually they have another delivery scheduled for that day. They may lose a business because of your negligence.
