Our containerized generator enclosures are known for their supreme quality, appearance, and durability. We custom build to our customers specifications up to 3MW.

The durable and robust Containerized Series generator sets are ideally suited for independent power producer (IPP), mining, oil and gas, or any project where harsh conditions, challenging ...

our eco° GEN-C series features all-in-one packaged power generation solution, engineered for mobility, easy deployment and scalability. each power container is engineered to meet specific ...

Our containerized generator enclosures are known for their supreme quality, appearance, and durability. We custom build to our customers ...

LZY-MS1 Sliding Mobile Solar Container is a portable containerized solar ...

This generator is lightweight and portable, designed for outdoor use and container living. Customers have noted its ease of use ...

LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid ...

LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar ...

This generator is lightweight and portable, designed for outdoor use and container living. Customers have noted its ease of use and efficiency in various applications, from ...

Foldable container long-life type generator
