1 " Free " absolutely means "free from any sorts constraints or controls. The context determines its different denotations, if any, as in "free press", "fee speech", "free stuff" etc.

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that ...

I had always understood "there's no such thing as a free lunch" as a expression to demonstrate the economics concept of opportunity cost - whereby even if the lunch is fully paid for, one loses ...

If so, my analysis amounts to a rule in search of actual usage--a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over ...

Saying free or available rather than busy may be considered a more "positive" enquiry. It may also simply mean that you expect the person to be busy rather than free, rather than the other way ...

I want to make a official call and ask the other person whether he is free or not at that particular time. I think asking, "Are you free now?" does't sound formal. So, are there any ...

If you are storing documents, however, you should choose either the mediumtext or longtext type. Could you please tell me what free-form data entry is? I know what data entry is per se - when ...

My company gives out free promotional items with the company name on it. Is this stuff called company swag or schwag? It seems that both come up as common usages--Google ...

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not for negation, but I am looking for a single word.
