-----

I own a S7 SS graphite with Milanese, and also would like to know which of the S10 Ti color would match best with the graphite band so I don't need to get another Milanese with ...

Hi all, I am planning on upgrading from a Series 2 Nike Aluminum Space Gray. Before the S6 was announced, I was set on a silver SS. However, seeing the graphite makes ...

I'm coming from a Graphite S9, so I ordered Slate, I ordered natural for my wife (to replace her SS S9) and I think I actually prefer the natural :-D it looks smart and a little different, ...

What do you think, which one looks better, Silver or Graphite? I currently have the Series 7 45mm Stainless Steel Gold, but I'm thinking about returning it. In certain light ...

I purchased the stainless steel Apple Watch Series 6 in graphite and it scratched from day 1 due to the Milanese loop. First I thought only the charging puck was scratched, but ...

Now I'm considering changing to either stainless steel silver or graphite with either a silver or graphite Milanese band. Truthfully, it's more than I want to spend, but I can splurge for ...

The Slate Titanium is darker than the graphite but only slightly so. But I heard that the Milanese band on the other hand, the new Slate vs the old Graphite are almost identical, ...

? I think the colors of all of the watches in this update is lackluster. I'd skip this update entirely and either go for a series 9 (perhaps graphite SS) around "Black Friday" sale time or ...

Graphite and Slate look very similar in the images (click an image to expand, and then hop back and forth to

compare).. I've got graphite S8, and I like the colour. I don't think I'd ...

Got my Apple Watch Slate Titanium today with the Milanese loop. First of all, the slate color is quite a bit darker than graphite, but not as black as my AW2 Space Black (though ...
