The Grenada Utilities Regulatory Commission is inviting expressions of interest for a 15.1 MW solar power project at Maurice Bishop International Airport, potentially including a ...

The energy regulator of Grenada is seeking expressions of interest (EOI) for a solar or solar-plus-storage project at the Caribbean island nation's main international airport.

The Public Utilities Regulatory Commission (PURC) of Grenada is inviting expressions of interest (EOIs) for a renewable energy project at the island nation's main ...

Grenada Electricity Services (Grenlec) is searching for consultants to support the construction of a BESS at Maurice Bishop International Airport. The tender details state that ...

To support this project, it seeks to hire an Owner's Engineer (OE) for the construction of a battery energy storage system (BESS) and associated transmission system ...

The Grenada Utilities Regulatory Commission is inviting expressions of interest for a 15.1 MW solar power project at Maurice Bishop International Airport, potentially including ...

The country's energy landscape is currently dominated by fossil fuels, but this new project is expected to increase renewable energy ...

The country's energy landscape is currently dominated by fossil fuels, but this new project is expected to increase renewable energy capacity and reduce electricity generation ...

The energy regulator of Grenada is seeking expressions of interest (EOI) for a solar or solar-plus-storage project at the Caribbean ...

The project seeks to integrate three solar photovoltaic generating facilities totalling a 15.1MW capacity and a 10.6MW/21.2MWh Battery Energy Storage System (BESS), with the ...

dence on fossil fuels. PURC is seeking an independent power producer (IPP) to develop and operate either a 15.1MW standalone solar PV plant or a solar-plus-storage plant combining ...

Provide the solar PV and battery storage IPP market with the opportunity to share critical project-related information, such as the estimated project duration and estimated plant space ...
