How much does a portable storage container cost?

Portable storage containers cost between \$180.00 to \$300.00 monthly. They eliminate many extra expenses you'd find with traditional storage options. United Rentals tops the list with a pricing satisfaction score of 3.7/5. Mobile Mini follows at 3.2/5, while U-Haul (1.6/5), Cubesmart (1.5/5), and PODS (1.5/5) trail behind.

What is the difference between a unit and a Mobile Mini container?

UNITS containers excel by supporting up to 260% more weight than Mobile Mini containers. PODS containers can handle up to 10,000 pounds of storage capacity. These notable differences affect mobile mini pricing and determine what customers pay for their storage solutions. The right mobile mini container selection requires more than rate comparison.

How much does a modified container cost?

Modified containers with office space features cost more, with monthly rates between \$125 and \$500. The company bases its pricing on unit size and specific features that let customers pick the best option for their needs. Contract length plays a big role in final pricing.

How many pounds can a pods container hold?

PODS containers can handle up to 10,000 pounds of storage capacity. These notable differences affect mobile mini pricing and determine what customers pay for their storage solutions. The right mobile mini container selection requires more than rate comparison. Renting a mobile mini storage unit proves budget-friendly for needs under 12 months.
