-----

The Power and Battery Integrated Cabinet combines power supply units and battery storage into a compact, weatherproof outdoor enclosure. Designed for telecom base stations, off-grid ...

Optional with Hybrid system to provide redundant cooling for cabinet to prolong battery lifetime with control internal environment. Our outdoor enclosure is uniquely designed that comes with ...

Our cabinets are built to withstand harsh weather conditions and provide excellent protection for power management systems, telecom base ...

Outdoor Lithium ion Battery Enclosure mainly provides a stable working temperature and dust-free environment for lithium battery, they are integrated with thermal insulation and equipped ...

Our cabinets are built to withstand harsh weather conditions and provide excellent protection for power management systems, telecom base stations, energy storage battery systems, and ...

BESS Battery Energy Storage System All-in-One Cabinet is an integrated solution designed to house and manage all components required for energy storage in a compact, modular enclosure.

With its factory-direct pricing, high efficiency, long lifespan, and safety, HighJoule's Outdoor Cabinet BESS Lithium Battery 100kWh is an ideal energy storage system choice.

Our lithium batteries are compatible with most standard telecom rectifiers and support multiple communication protocols (RS485, CAN, SNMP), enabling smooth integration.
