With the FTR discontinued by Polaris ... I thought I might be good to have a thread with the Pros and Cons of each year ... to help folks who want to buy a used one ... For ...

Indian has discontinued the FTR (formerly known as the FTR 1200), officially closing the door on the flat track-inspired motorcycle that debuted in 2019.

I own a 2021 Dark Horse Springfield. I want to upgrade to the 112 Power Plus but I do not like the huge fairing on the Challenger and I don't want a fork mount fairing. I am hoping ...

Hi all! Picked up a new 2023 Pursuit Dark Horse summer of 2024. Lloydz tune with a S& S filter and sawicki pipe. Been riding for 20 years or so. Last bike was a 2006 Yamaha ...

A forum community dedicated to Indian Motorcycle owners and enthusiasts. Come join the discussion about performance, modifications, troubleshooting, maintenance, and ...

Indian Challenger Things to be aware of on your Indian Challenger. Checking these things can make your bike and ownership a good experience. Throttle Body Sync: This ...

I was looking through the threads on driving lights for a 2022 Indian Chieftain and most were older without any option. I am looking at purchasing the mounts from Indian but ...

I know there is some interest in having a comprehensive list of Indian dealerships, so I used Indian's website and a US zip code chart to find as many dealerships as I could. I ...

Indian motorcycles saw service in both world wars. In WW1 the motorcycle was an experimental concept, along with tanks. Indian learned well from this experience, realizing that ...
