Where can I buy a 20 ft shipping container?

Aztec Container has a variety of shipping containers for sale or rent. The 20 ft containers are constructed from durable and high-quality Corten steel, which creates an office that is easy to take with you on the go.

What size shipping containers does Aztec offer?

At Aztec Containers, we offer a range of 10-foot shipping containers, 20-foot containers and 40-foot shipping containers designed to meet your diverse needs. Whether you're looking for compact storage solutions, efficient shipping methods, or customizable options, all of our containers are engineered with precision and reliability.

What are the dimensions of a storage container?

The standard container dimensions are 40 ft long, 8 ft wide, and 8.6 ft tall. The average weight of the standard storage container is approximately 8000 lbs,. It's also reasonably priced and can be used for a variety of storage or office space purposes.

What is the standard size of a shipping container?

Intermodal shipping containers must be able to stack perfectly on standard ships and rail cars. The international standard for shipping containers is a 20' ft. container and it is the most common size in use today. Standard size of that container is 8' wide and measured in TEU's (twenty-foot equivalent units).
