-----

It's a set of a LED lamp with inbuilt accumulator battery and solar controller, a photovoltaic panel, and an aluminium pole adaptor for the panel. Powder ...

Our solar lighting series combines efficiency, durability, and ease of use, making it an ideal choice for outdoor lighting in various environments. - Long-life lithium battery for lasting durability

Wide power range: 30W~120W. Solar panel + led chip + charge controller + battery all in one box. High Lumen output up to 170lm/w with high-quality LED chips. With Intelligent power ...

FlyHawk series 30W outdoor LED solar street light, Ip65 waterproof 3500K dusk to dawn solar LED outdoor light with pir motion sensor, aluminum ...

The all-in-one solar street light design integrates all components, including the solar panel, battery, and LED lights, into a single unit. This compact design offers easy installation and low ...

It's a set of a LED lamp with inbuilt accumulator battery and solar controller, a photovoltaic panel, and an aluminium pole adaptor for the panel. Powder coated self-cleaning housing made from ...

The unit allows for extra efficiency through infra-red sensor activation, which enables the light source to activate full power when someone is approaching, and to dim down when nobody is ...

Designed for both residential and commercial use, this solar street light features advanced smart functions to optimize energy usage and lighting performance. It includes a PIR motion sensor ...

The unit allows for extra efficiency through infra-red sensor activation, which enables the light source to activate full power when someone is ...

FlyHawk series 30W outdoor LED solar street light, Ip65 waterproof 3500K dusk to dawn solar LED outdoor light with pir motion sensor, aluminum 90°; adjustable arm solar road street light.

This 30w solar street lamp with motion sensor & day/night sensor provides a three-mode setting, i.e. PIR Sensing mode, Timing mode, and Mixed mode. PIR sensing mode is using passive ...

STR is a standard solar LED street light. The solar panels are made from power station level photovoltaic panels, providing higher photoelectric conversion efficiency, and important ...

Our solar lighting series combines efficiency, durability, and ease of use, making it an ideal choice for outdoor lighting in various environments. - ...

The 30W solar system has been engineered for effective illumination of public areas, roads and pedestrian routes. Thanks to modern LED diodes with an efficiency of 138-160 lm/W, the lamp ...
