I have built a powerBI dashboard with data source from Datalake Gen2. I am trying to add new column into my original data source. How to refresh from PowerBI side without ...

Note that if you declared it `var a = new { };` and `var o = new object();`, then there is one difference, former is assignable only to another similar anonymous object, while latter ...

Can anyone help me understand when to use `:NEW` and `:OLD` in PLSQL blocks, I'm finding it very difficult to understand their usage.

0 The target attribute of a link forces the browser to open the destination page in a new browser window. Using `_blank` as a target value will spawn a new window every time ...

The new keyword in JavaScript can be quite confusing when it is first encountered, as people tend to think that JavaScript is not an object-oriented programming language. What is it? What ...

A new expression is the whole phrase that begins with `new`. So what do you call just the `"new"`; part of it? If it's wrong to call that the new operator, then we should not call ...

I was searching on this link before finding this answer. I did not find the solution in the link because I was looking for `"newline"`; or `"new line"`; instead of `"line feed"`;

Gonna give a two stroke a try for this seasons enduro championship in D36 after 3 years on 450"s. Slowly going through it one or two changes at a time. Will share thoughts. First ...

You should use `new` when you wish an object to remain in existence until you delete it. If you do not use `new`
