BizReps offers a wide selection of shipping container farms in both 20x8 and 40x8 size units completely tailored to your farming needs.

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

The prices shown are for the container only; final costs will increase based on the hydroponic setup, modifications, and custom features added. Here's a general breakdown:

Specifically engineered to maximize yield and automation. We offer a fully insulated, food-grade shipping container that has been specifically modified to provide the optimum controlled ...
