Hello everyone, this is my first time ever posting on a blog, but I really need some help. I have a 2015 RMZ 250, I bought it in good condition, but it did not start, after I fixed ...

New to Suzuki. I need to do the first oil change change on my 06 RMZ450. 1. How much oil does it take with new filter? 2. Is the oil separate from tranny? 3. What is the best oil ...

As the title, I'm wondering if anyone has a guide to checking and adjusting the Tps for my 2013 rmz250? I've bought the Tps plugs and will make a harness Ive searched the ...

Just bought a 2015 rmz450. Here"s what i know was rebuild and cases have been split there is new silicon sticking out, lots of aftermarket. I was told it has big bore kit with high compression ...

How do I correctly set the timing on my 450? - RMZ 450 - ThumperTalk All Activity Home Forums Dirt Bikes Make / Model Specific Suzuki Motorcycles RMZ 450

This is the spot to talk about the Suzuki RMZ 250 . Find new & used RMZ 250 motorcycles & parts for sale, RMZ 250 reviews, and browse owner garages & mods. Suzuki RMZ 250 ...

I bought an 07 RMZ 450 recently that wouldn"t idle so I cleaned the carb and now it idles fine but overheats within a minute to the point the FMF header is glowing. I know this is a common ...

Hey another question about my 2016 rmz 250, what oil should I use I've seen some for 10w-40. And some for 15w-50 and some for 15w-40 and I'm not sure what to use?

Who knows a good shop that can tune my 2011 rmz450 ecu I have a full yoshimura exhaust and the bike backfires a lot and runs lean
