-----  
Are there free TV stations in Sierra Leone?

There are three free terrestrial television stations in Sierra Leone, one run by the government SLBC and the other two are private stations in Freetown, Star TV which is run by the owner of the Standard-Times newspaper and AYV - Africa Young Voices. Several religious funded TV stations operate intermittently.

Where is Sierra Leone located?

Sierra Leone is on the southwest coast of West Africa, mostly between latitudes 7° and 10°N (a small area is south of 7°), and longitudes 10° and 14°W. It is bordered by Guinea to the north and east, Liberia to the southeast, and the Atlantic Ocean to the west and southwest.

What are the major ports in Sierra Leone?

Major port cities are Bonthe, Freetown, Sherbro Island and Pepel. There are ten regional airports in Sierra Leone and one international airport. Freetown International Airport, in the coastal town of Lungi, is the primary airport for domestic and international travel to or from Sierra Leone.

When did media start in Sierra Leone?

Media in Sierra Leone began with the introduction of the first printing press in Africa at the start of the 19th century. A strong free journalistic tradition developed with the creation of several newspapers. In the 1860s, the country became a journalist hub for Africa.
