What is a solar request for Proposal (RFP)?

Numerous government agencies, educational facilities, non-profits, and businesses are installing solar energy systems to reduce operating costs and decrease carbon emissions. Organizations commonly issue a solar request for proposal (RFP) to get bids from qualified contractors for a given PV project.

Why do solar companies need a proposal & quoting software?

Solar companies need to provide their customer with a detailed quotation that includes all aspects of their project in order for their customer to make an informed decision. A solar proposal and quoting software helps you create quotes with the right formatting in just few minutes, making sure you land the sale!
