Cool-Watt[®] is a solar power plant designed as a 20 feet maritime container, pre-cabled and pre-tested so that it can be deployed in less than 1 hour without civil engineering or ...

Microgreen offers large-scale energy storage that is reliable in harsh environments, cost effective with top energy density, and provides best return on investment.

With container type cold rooms operating with solar energy, you can easily solve cold storage problems and post-harvest loss problems in perishable foods such as fruits, vegetables, meat ...

Driven by photovoltaic technology, solar reefer containers offer an eco-friendly alternative to conventional diesel powered units. By harnessing solar power, they significantly reduce ...

Our solar-powered refrigerated containers are carefully packaged and shipped to ensure safe delivery. Available in 20ft and 40ft sizes, these ...

The off-grid box is wired and ready to run, allowing you to take solar-powered refrigeration anywhere in the world. Simply set up the solar panels to ...

The off-grid box is wired and ready to run, allowing you to take solar-powered refrigeration anywhere in the world. Simply set up the solar panels to enjoy to harness the solar power.

Our solar-powered ice maker, available in flake or block ice configurations, provides continuous ice production and storage 24/7. It is a versatile solution for businesses in the agriculture, ...

Our Solarator(TM) cold chain products are engineered for high-performance, temperature-controlled storage,

delivering reliable refrigeration, freezing, and ice-making capabilities.

Microgreen offers large-scale energy storage that is reliable in harsh environments, cost effective with top energy density, and provides best ...

Our solar-powered refrigerated containers are carefully packaged and shipped to ensure safe delivery. Available in 20ft and 40ft sizes, these units are designed for efficient cold storage and ...

Tianqiao solar container cold storage solutions--energy-efficient, eco-friendly, and ideal for off-grid refrigeration.

Our solar-powered ice maker, available in flake or block ice configurations, provides continuous ice production and storage 24/7. It is a versatile ...

Drawing on our extensive industry experience, including the deployment of hundreds of off-grid solutions over the past decade, we have gained insights into contemporary solutions involving ...
