Hello, is anyone using the Roland Truevis VG540? Looking for some feedback from an actual user before I make the purchase. Thanks, Tom

Hi! I have a problem with my Roland BN20. Little bit in intro about printing settings - it have 3 settings of printing quality: STANDART, DRAFT & DRAFT-2. Standart quality is the ...

Hi All, Looking for some insight on which of these products you would select and why. Looking to print decals, banners and vinyl. This will be an addition to our current ...

Hi All! We have a Roland VS 540i that recently started having an issue that we just can't figure out how to fix. We're seeing dark/black fuzzy lines through only yellow/orange/red ...

My initial plan was to get the SP-300i, but kept hearing that 30" can be very limiting. Is the \$6-8k more investment worth it to get a VS-540i? Print speed for SPi is 3 time slower ...

I just purchased a new Roland VersaCamm 540 VSi. It has an eight cartridge ink system. I am trying to decide what configuration to order. I will be using the unit mostly for ...
