6KW power solar panel inverter dc to ac sine wave inverter with charger, 12 years experience in the inverter industry, can design as per customer needs, and OEM/ODM production.

All the household appliances work on AC but the power generated from the Solar Panels is DC. To convert this power to AC Solar inverters or Mobile inverters are used.

We, at SolarFeeds, have brought together nearly all the popular solar inverter wholesalers, who offer a large number of inverters at much cheaper pricing compared to the retail market.

It is suitable for working in various environments (large farms, villas, factories, forest areas, etc.), and can also be applied to common household appliances.
